A Fish Tale At Sunset Inn & Suites

There's something fishy at The Sunset Inn & Suites, Vancouver's elegant all-suite downtown hotel. They've hooked up with A Kettle of Fish, the neighbourhood seafood restaurant serving the finest and freshest catch available. Book a spacious suite and receive two \$40.00 gift certificates for dinner.

A Kettle of Fish, at the corner of Pacific and Hornby Street, is a short walk from the Sunset Inn & Suites. They have been impressing Vancouverites for over 30 years with the freshest Ocean Wise seafood available, including salmon, halibut, cod, sablefish, crab, lobster and mussels. From fish and chips to lobster casserole, and steak, pasta, and chicken for those not in a fishy mood, each dish is prepared with imagination and served with care.

The Sunset Inn & Suites are located near the heart of downtown Vancouver. It is a short stroll to world famous Stanley Park, an evergreen sanctuary of 1,000 acres, the 14-mile Seawall for walking and cycling and the beaches at English Bay. Robson Street boutiques, the ferry to Granville Island, the business district, and Yaletown and the nightlife are just a few short blocks away.

The Sunset Inn & Suites is a relaxing and beautiful oasis tucked away on the edge of the vibrant West End. The fully equipped fifty suites feature king-size beds with plush pillow-tops, wood floors in the living rooms and dining areas, designer floor rugs and signature wall coverings. Private balconies, self-serve laundry facilities, and free local phone calls make this downtown getaway a home away from home. Complimentary amenities include gated parking for a vehicle during your stay (a rarity for a downtown hotel), daily continental breakfast, high-speed wireless Internet, and fitness facility (with treadmill, stationary bike, elliptical, and free weights). These residential-style accommodations are also perfect for extended stays.

Sunset Inn & Suites' exceptional staff, distinguished style, quality and attention to individual guest needs, cleanliness, comfort, security, and safety have earned the AAA 3 Diamond Rating & 3.5 Star Canada Select Hotel Ranking. The hotel consistently ranks at the top of independent hotel review sites such as Tripadvisor.
