Sunset Inn Romance Equation: Stay + Calixica = Bliss

(Vancouver, British Columbia, Canada)—**Sunset Inn & Suites**, Vancouver's elegant all-suite hotel, has teamed up with Calixica Holistic Spa Boutique to offer a Beyond spa package that brings together romance – and pure spa bliss. Couples will luxuriate in an executive suite with large living room, kitchen/dining area and separate king bedroom – then check in at Calixica for a 90 minute Rose Bliss Couples Massage, returning to the hotel with a treasure vase filled with chocolates, roses and spa goodies for further pampering in their room.

Calixica Sunset Rose Bliss Massage engages all the senses. Guests are greeted at the door and offered tea in the Secret Garden Lounge. The healing touch of the Calixica spa practitioners instils trust, candles and quiet music transform the space, and the rose oil melts away tension, renewing a sense of harmony and balance. Since rose oil is also an aphrodisiac, the stage is set for the rest of the evening. Guests return to the Sunset Inn with all the accoutrements for a wildly romantic night infused with Calixica's organic and wild crafted scents and oils.

Sunset Roses and Chocolates Hotel Spa Bliss Deluxe Package includes:

- One night in a Sunset Inn Executive Suite and Complimentary Parking
- Rose Bliss Beyond Couples Massage with foot reflexology – 90 minutes
- Foot Reflexology
- Calixica Treasure Vase filled with Rose Gemstone Massage Oil, Calixica Rose Essence Spray, Chakra Candle, Two Single Roses and ChocolaTas Rose Chocolates

Package price starts at \$458.00 + taxes (based on double occupancy).
